Fremsendelse af opdateret bilag for godkendelse af maritime uddannelser

På baggrund af audit den 7.-8. april 2014 fremsendes hermed opdateret bilag for godkendelse af maritime uddannelser.

Auditor ønsker at takke uddannelsesinstitutionen for den positive og imødekomende ånd, som audit blev afviklet under. På baggrund af det gennemførte audit konkluderer Styrelsen for Videregående Uddannelser, at SIMAC har et kvalitetssystem, der fortsat lever op til gældende standard og øvrige bestemmelser.

Det skal derfor meddeles, at uddannelsesinstitutionen på baggrund af audit den 7.-8. april 2014 fortsat er godkendt til at gennemføre maritime uddannelser jævnfør "Bevis for godkendelse af maritime uddannelser" udstedt af Søfartsstyrelsen den 13. september 2004. Godkendelsen omfatter de kurser, som er nævnt i bilaget til beviset udstedt den 26. august 2014.

Upon completion of an audit on 7th and 8th April 2014, the Danish Agency for Higher Education hereby concludes that SIMAC has a quality system that still meets the standards and other provisions of the Danish Maritime Authority.

Hence, you are hereby informed that the training institution is - on the basis of the audit carried out on 7th and 8th April 2014- still approved to offer maritime training programmes in accordance with the "Document of Compliance" issued on 13th September 2004. The approval applies to the courses mentioned in the annex to the Document of Compliance issued on 26th August 2014.

Med venlig hilsen

Helle Bitsch Bay

BILAG

TIL BEVIS FOR KVALITETSSTYRING AF MARITIME UDDANNELSER

Annex to the Document of Compliance with the Guidelines on the Quality Management of the Maritime Education and Training

Beviset omfatter godkendelse af følgende maritime uddannelser:

The Document of Compliance includes approval of the following education:

Uddannelsen til skibsofficer (Dual purpose)
Dual purpose ship's officer
Uddannelsen til professionsbachelor som skibsfører
Master
Uddannelsen til maskinmester
Marine Engineer
Værkstedsskole
Workshop Training Course
VTS-Operatør grunduddannelse
Operator Basic Training, IALA Modul Course V-103/1
Kursus i ECDIS
Education and training in Electric Chart Display and Information System (ECDIS)

Ovennævnte uddannelser henviser til følgende reglementer i STCW konventionen.

The mentioned MET(s) refer to the following STCW minimum standards of competence:

Officer in charge of a navigational watch on ships of 500 gross tonnage or more, STCW Regulation II/1 (includes radar/ARPA simulator courses)
Master and chief mates on ships of 500 gross tonnage or more, STCW Regulation II/2 (includes radar/ARPA simulator courses)
Officers in charge of a navigational watch and of masters on ships of less than 500 gross tonnage, STCW Regulation II/3
Ratings forming part of a navigational watch, STCW Regulation II/4
Officers in charge of an engineering watch in a manned engine-room or designated duty engineers in a periodically unmanned engine-room, STCW Regulation III/1
Chief engineer officers and second engineer officers on ships powered by main propulsion machinery of 3000 kW propulsion power or more, STCW Regulation III/2
Chief engineer officers and second engineer officers on ships powered by main propulsion machinery of between 750 kW and 3000 kW, STCW Regulation III/3
Ratings forming part of a watch in a manned engine-room or designated to perform duties in a periodically unmanned engine-room, STCW Regulation III/4
Electro-technical officer, STCW Regulation III/6
Electro-technical rating, STCW Regulation III/7
Training for certification of GMDSS radio personnel, STCW Regulation IV/2 (GOC)
Masters, officers and ratings on oil and chemical tankers, STCW Regulation V/1-1
Masters, officers and ratings on liquefied gas tankers, STCW Regulation V/1-2
Training in passenger safety, cargo safety and hull integrity as specified in section A-V/2, paragraph 4 of the STCW Code
Training in crises management and human behaviour as specified in section A-V/2, paragraph 5 of the STCW CODE
Personal survival techniques as set out in STCW Code table A-VI/1-1
Elementary first-aid as set out in STCW Code table A-VI/1-3
Personal safety and social responsibilities as set out in STCW Code table A-VI/1-4
Proficiency in survival craft and rescue boats other than fast rescue boats, STCW Code table A-VI/2-1
Proficiency in fast rescue boats, STCW Code table A-VI/2-2
Medical first aid, STCW Regulation VI/4-1
Ship Security Officer, STCW Regulation VI/5
Security Awareness Training, STCW Regulation VI/6 paragraph 1
Seafarers with Designated Security Duties, STCW Regulation VI/6 paragraph 4
